

**S**hadow Valley's Junior Tennis Program is recognized as one of the finest organizations in the country for developing young tennis players. This system strengthens each player physically, mentally, and emotionally. Our classes simplify and advance players' strokes while teaching percentage patterns of play so students learn how to become tournament tough. Our pros have a career commitment to tennis and believe when presented properly, the game also teaches young men and women how to face the challenges they will encounter in life.

#### **New Safety Procedures for our Junior Programs**

The Shadow Valley Staff is committed to a high level of safety for our young participants.

If your junior participant is not feeling well or is presenting symptoms, please keep them home. Our attendance policy states that once you have paid for a full session, you can roll make ups through the other 2 sessions.

All staff members will have their temperature taken upon arrival to the club daily. The front desk staff will have gloves and face masks for extra safety.

Cleaning of the club hard surfaces and bathrooms will be performed by our staff every 2 hours throughout the day.

No demo racquets or loaner racquets will be given to participants this summer. Please make sure your junior has their own racquet for their clinic.

We are limiting 4/5 students per court or lessons.

There will be 1 pro per court and additional helpers as needed to ensure social distancing.

When the maximum number of students is reached, Shadow will add classes in the programs for the students under the age of 10.

Top Guns and Tournament Training classes will be fully staffed and the pros will ensure social distancing while your teen is on the premises.

Please call the club if you have any additional questions.

#### **CLINIC POLICY**

Summer camp participants must pay for at least one full session. If all 3 sessions cannot be attended, the payment for one session may be spread out among multiple sessions.

Drop-ins are not permitted, and daily rates will not be offered. The total amount for one full session must be paid.
